PRIVACY POLICY

This privacy policy governs your use of the software application ADD-BIKE for mobile devices that was created by Aburastar. The Application use the GPS location service to calculate / display / save user's outdoor exercise activities including locations, moving speed, direction, time…geo location related information.

What information does the Application obtain and how is it used?

User Provided Information

The Application does not ask any user information such as name, phone number, or email.

Automatically Collected Information

The Application requires user to grant the GPS/Location service from user's phone device. Once user grant the permission, the application will collect user location information dynamically to perform the application functions.

Does the Application collect precise real time location information of the device?

Yes. This application use GPS technology (or other similar technology) to determine your current location in order to perform the application functions. Your location information is only used for performing the functions and will not be shared to other users outside of this application.

If you choose to save your activities recorded by this application - the saved records will contain your location information as well as your activities attributes such as traveling speed, direction, calories burned…etc. The saved records can be viewed form the application - it's your own responsibility to protect / limit the access to your mobile device and this application.

Do third parties see and/or have access to information obtained by the Application?

No. This application will not share any information with third party.

What are my opt-out rights?

You can stop all collection of information by the application and erase saved records easily by uninstalling the application. Please use the standard uninstall processes provided by your mobile device.

Data Retention Policy, Managing Your Information

Your location data saved as your activities records will be retained within the application. All data will be erased immediately once application is removed (uninstalled). You can also delete specific saved record.

Children

This application only collects location information of the device when it is running. It will not determine the user age and perform any specific function.

Security

Your location data collected and saved is stored in your mobile device. Other people can view your records if they get access to your mobile device. You are responsible to practice the best protection on your mobile device such as locking and password protecting your mobile device.

Changes

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy at https://aburastar.github.io/privacy-addbike.pdf. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.

Your Consent

By using the application, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us.

Contact us

If you have any questions regarding privacy while using the application, or have questions about our practices, please contact us via email at aburastar888@gmail.com.
